ARS 9-834. Prohibited acts by municipalities and employees; enforcement; notice A. A municipality shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule, ordinance or code. A general grant of authority does not constitute a basis for imposing a licensing requirement or condition unless the authority specifically authorizes the requirement or condition. B. Unless specifically authorized, a municipality shall avoid duplication of other laws that do not enhance regulatory clarity and shall avoid dual permitting to the maximum extent practicable. C. This section does not prohibit municipal flexibility to issue licenses or adopt ordinances or codes. D. A municipality shall not request or initiate discussions with a person about waiving that person's rights. E. This section may be enforced in a private civil action and relief may be awarded against a municipality. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against a municipality for a violation of this section. F. A municipal employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the municipality's adopted personnel policy. G. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
